RULES

South Jersey Recreation Soccer League “SJRS�” consists of several local recreational clubs from the area. Clubs who have partnered to form SJRS� include:

Cherry Hill Soccer Club – CHSC
Cherry Hill Football Club - CHFC
Marlton Recreation Council – MRC
Medford Lakes Athletic Association – MLAA

Medford Youth Athletic Association - MSC
Indian Mills Athletic Association - IMAA
Tabernacle Athletic Association – TAA
Southampton Township Athletic Association - STAA

If player registrations permit, these teams shall be granted the ability to participate in the SJRS�.

U12-U14 (6th and 8th grade):

- Must play 11 v 11 format on full-sided field
- Game length 2 x 35 minute halves
- Size 5 game ball

The SJRS� REQUIRES each participant to try to register and play in the Township of the player’s primary residence, if their town offers a program and a team they are able to play on. If one is not available, they can play for any other town of their choosing. (i.e.: Medford Lakes residents MUST register and play for Medford Lakes, not in/for Medford, Tabernacle, etc.)

If a Township is short player(s) to make up a team at any division, the SJRS� will allow Townships to “combine” players to create a team. Approval from SJRS� will be needed to do so.

The SJRS� is NOT a member of the US Soccer Federation, United States Youth Soccer Association, New Jersey State Youth Soccer Association or any other federation or association. The SJRS� is an independent, non-sanctioned, non-profit league. Rules may vary from travel or club leagues.

Each Township/Club listed above is required to provide their own insurance coverage for all their registered players.

No youth athlete shall train or play in an official match without being registered with their appropriate Township or Club.

To maintain the integrity of the league, SJRS� does not allow travel players to play at this recreational level. Participating Clubs that do not have this rule, must get approval from SJRS� to participate.

South Jersey Recreational Soccer League

3. You can still play offense and work on passing. Just don't score.
4. Don't attack the team in their own zone, let them cross midfield.
5. Play a player off the field. DO NOT make a big deal about it and share the rule with your parent so they are not yelling "you only have 6 players on the field"
6. If it is really is an uneven game, shorten the game a few minutes each half. Talk to the referee and opposing coach.

The below discipline will be enforced. There are too many 10-0, 11-1 games, it will not be tolerated.
