CHERRY HILL FC'S WINTER BLAST REGISTRATION FEE REFUND POLICY

Cherry Hill FC's ("CHFC" or "club") Winter Blast 5v5 registration fees are refundable prior to the start of the event, which offers teams a "No Risk Registration".

2021-2022 Winter Blast 5v5 Refund Policy

CHFC has implemented the following Winter Blast 5v5 Refund Policy for the 2020-2021 event in response to, but not limited to, the virus "severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2)," which is responsible for Coronavirus Disease (COVID-19) and/or any mutation or variation thereof. While we plan to run a full 6 week 5v5 event, due to winter weather and the current COVID-19 pandemic, we are unable to predict its outcome. These refund policy exceptions have been created in an attempt to help address this unpredictability and the uncertainty pertaining to evolving return-to-play conditions including the level of financial risk associated with registering for the Winter Blast 5v5 soccer event.

The exceptions are as follows:

- Written requests to withdraw submitted prior to 1st game of event = full refund of registration fees;
- Written requests to withdraw submitted after 1st game of event = no refund;
- In the event that Winter Blast 5v5 event activities are canceled after 1st game of the event through 3rd game of the event, prorated refund will be issued;
- In the event that Winter Blast 5v5 activities are cancelled after the 3rd game of the event, no refunds will be issued.

*CHFC reserves the right to make changes to both the General and Communicable Disease refund policies without providing advanced notice.
